

## How to stay in love, even when you have young children!

If you're new here, you may want to subscribe to my [RSS feed](#). Thanks for visiting!

Today, I'm excited to share my guest post on [guest post on RookieMoms.com](#).

I wrote about 5 fun activities to do with your spouse to keep your relationship strong.

My husband and I know that our son adds a lot of stress to our relationship, so we use these activities to stay connected.

Perhaps they will make a difference for you too.
